## Research Probation Requirements Met

*Research students for the Master of Philosophy and the Doctor of Philosophy are required to submit this notice when they have met their probationary requirements. The notice should be signed by your supervisor and committee and then lodged at the Student Administration Centre, Level 4 of the Wilkinson Building.*

*Candidates for the MPhil(Arch) are on probation for a minimum of 1 semester and a maximum of 2 semesters. Candidates for the PhD are on probation for a maximum of two semesters. The Faculty may terminate the candidature of a candidate who has not completed probationary requirements with 12 months of admission.*
